

REDWOOD CITY CLIMATE BEST BY GOVERNMENT TEST Times-Gazette

THE TIMES-GAZETTE, REDWOOD CITY, CALIFORNIA, FRIDAY, JUNE 11, 1943 ESTABLISHED IN 1859

PARKING: Traffic Group Urges El Camino Change

Parallel parking on El Camino Real between Broadway and Brewster Ave. was recommended by the traffic study committee to the city council Monday, but a decision on the recommendation was withheld until the next meeting of the council to determine if the city has the right to change from the present diagonal parking.

The council instructed City Mgr. Robert W. Mead to check to see if the city or the state has jurisdiction to change the parking strips. The traffic study committee suggested that parallel parking be instituted along both sides of El Camino Real and that the state be requested to paint the appropriate lines.

The committee also moved that the state be requested to repave the center and parallel strips on Main St. from Five

Points to Bayshore Hwy.

An ordinance was introduced Monday to change the name of three Redwood City streets. The ordinance calls for changing the name of Canyon Rd. between Brewster and Westgate Aves. to Stanley St. in honor of Stanley Dodge, son of City Clerk and Mrs. Ralph S. Dodge, one of the first Redwood City boys to lose his life in World War II; St. Francis Ave. between Harding and Vera Aves. to St. Francis St.; and Sequoia Ave. between Roosevelt Ave. and the present termination of Sequoia Ave. one block southerly from Redwood Ave. to St. Francis St.

The recommendations were made by the Redwood City Planning Commission and an ordinance was ordered drawn up at the May 17 meeting of the city council.

COW PALACE: Warren Vetoes Director Bill

Governor Warren this week vetoed a bill by Assemblyman Harrison W. Call of Redwood City which would have opened the board of directors of Agricultural District 1-A to stockmen outside of San Francisco and San Mateo County.

The agricultural district operates the "Cow Palace" at Visitation Valley near the San Francisco line.

The bill would have made executive appointments to the board of directors subject to confirmation by the State Senate.

Proponents urged the change to give the livestock industry wider representation on the district board to insure success of future livestock shows staged at the "Cow Palace."

The bill was endorsed by the San Mateo County Board of Supervisors, but opposed by San Francisco supervisors.

Judge Approves Herrscher Motion

The strange controversy between the sons and the surviving husband of Mrs. Fannie May Howard Herrscher came to an end in superior court here this week when Judge Maxwell McNutt signed a judgment directing that her remains be transferred from a temporary receiving room to a \$10,000 tomb room at Cypress Lawn Catacombs, Colma.

Edmond E. Herrscher, the husband, was "permanently enjoined" from interfering in any way with the removal and waived his right to appeal from the judgment. The plaintiffs—Robert, Lindsay and Charles Howard—were given the "sole right" to accomplish the removal.

Mrs. Herrscher died Oct. 9. The suit over disposal of her remains was filed Mar. 27.

The suit was opposed by San Francisco supervisors, but approved by San Mateo County Board of Supervisors.

DRESSINGS: Commuters Help Out

Women have received nationwide publicity for replacing men in nearly all occupations previously considered strictly male enterprise, but members of the Redwood City Commuters Club are reversing the procedure by enrolling on a field formerly occupied by women.

The commuters are making surgical dressings for the Red Cross and are receiving the plaudits of both women and other men for their efforts.

Men can make surgical dressings just as well as women and why shouldn't they, asks Miss Lulu Beegar, new chairman of the Red Cross surgical dressings who has charge of the first men's group in the Pacific area to start such a project.

The Commuters' Club has signed up to make surgical sponges at the work rooms in the city hall the last Tuesday of every month. About a dozen of the members turned out recently to learn how and Miss Beegar says they "did a very creditable job."

Miss Beegar hopes that other groups will volunteer. The workroom is open every Thursday and Friday evening, the last Tuesday of the month for the commuters, and will be opened other evenings for any other group desiring to work.

Surgical sponges are needed and the Redwood City chapter has been producing approximately 50,000 a month. The number of workers has sharply decreased, however, in the last few weeks, and regular women workers have not been turning in so many hours. New recruits are needed.

More first-time donors likewise are needed to give blood. Too many of the donors are fourth and fifth-time contributors, the chairman, Mrs. Richard Schmidt, says. New donors

AMERICAN HEROES

Maj. John L. Smith of the U. S. Marines has 19 Jap planes to his credit—Have you as many War Bonds? Show all our American boys that you're doing your part on the home front to win the war. You've done your bit; now do your best—Buy more War Bonds.

Gas Tax Income Shows Decrease

County Treasurer A. H. Sagehorn today announced receipt of \$47,857 in state gas tax allocations, bringing the total allocation for the quarter to \$55,358.

County Engineer M. A. Grant said this figure is approximately 30 per cent lower than the gas tax income for the same quarter last year. The drop reflects curtailed driving under gasoline and tire rationing, and will necessitate reduction of county department operations.

are needed to continue to fill Redwood City's quota in the important blood donor service. The city has been contributing 240 pints a month.

Thirty service men from the San Carlos dog training center have volunteered for the next two June dates when the Red Cross mobile unit will be in Redwood City. The chairman hopes that new donors will volunteer to give blood on July 10 and 28. Volunteers may register at Red Cross headquarters any time by telephone.

Owls Elect New Officers

Election of officers and plans for a forthcoming dance were important business at the dinner meeting of the Order of the Owls at Foresters Hall on Middlefield Rd. when almost 100 members attended.

New roster of officers includes Steve Fratti, president, re-elected; John Bragoni, vice president; Angelo Scilini, past president; Dominic Airaudi, invocator; Louis DelBen, warden; Ben Parrilli, inside sentinel; Joseph Righello, outside sentinel; Peter Garino, corresponding secretary; Louis B. Dematteis, financial secretary; Joe DeLucchi, treasurer; Fred Paletti, Attilio Belioni and Henry Ferrando, trustees.

Fratti will direct arrangements for the annual dance to be given in Foresters Hall next Saturday night, with dancing from 9 p.m. to 1 a.m.

Announcement was made Saturday evening that three additional members of the Owls had entered services of the armed forces. They are Victor Ricci, Paul Albertoli and John Baletto.

Supervisors Add \$25,000 To Budget

In caucus session Tuesday the County Board of Supervisors added \$25,000 to the provisional 1943-44 capital outlay budget to be added to the \$48,000 already in the courthouse construction fund. Chairman Fred E. Beer said \$4000 was cut from federal funds for fire suppression because a convict camp will be established at Sandy Point, near the junction of San Mateo, Santa Clara and Santa Cruz Counties to provide fire fighting labor. The convicts will come from San Quentin.

Today's discussions, made before and after a brief public session, were for the purpose of preparing the capital outlay, maintenance and operations budget for printing, Beer explained. Public hearings will be conducted June 22 before adoption.

The board referred to the civil service commission protest from County Executive Frederick Peterson against a salary differential between chief deputies in the offices of county controller and tax collector.

Peterson pointed out that the ordinance as originally drawn provided a \$245-\$305 salary range for each chief deputy. Subsequently the ordinance was amended to allow a \$215-\$275 range for the chief deputy tax collector.

The executive maintained that the two positions were "at least equal in importance and responsibility," and said he hoped the board would correct "what I believe to be an oversight on your part."

The executive pointed out that Miss Lorraine Dickey, deputy tax collector, has held that position for 23 years compared to seven years' service by Ira Boynton, deputy controller, in only four of which he has been chief deputy.

The board transferred to the

HERRSCHER: S.F. Attorney Marries for Third Time

Edmund E. Herrscher, San Francisco attorney who is involved in litigation over the administration of the estate of his late wife, Fannie May Howard Herrscher who died Oct. 9, has taken a third wife, it was learned here. Herrscher and Mary Elizabeth Hubar, young divorcee of 139 Arrowwood Lane, San Mateo, were married at Carson City, Nev., Saturday.

Both gave their ages as "over 21." He is 53 and his wife is said to be 23.

The bride is the daughter of Mrs. Mary Shaw of San Mateo, the niece of Elizabeth Achard of San Francisco and has a son, Stephen, 4.

Herrscher said that following a two weeks honeymoon at Arrowhead Springs in Southern California they will live at 1021 California St., San Francisco, until their new home at 123 Patricia Dr., Atherton, is ready for occupancy.

San Mateo County Fair Assn. \$11,771.27 received as the county's share of the State Fair and Exposition Fund.

It authorized condemnation proceedings to obtain title to land necessary to control floods in the East Palo Alto area along San Francisco Creek, inundated by a dyke break last Winter.

In superior court here yesterday Judge Maxwell McNutt gave judgment to Robert, Lindsay and Charles Howard, sons of Mrs. Fannie May Howard Herrscher and Charles S. Howard of Hillsborough, giving them the right to dispose of her remains.

Pending is litigation over Mrs. Fannie May Howard Herrscher's \$2,000,000 estate against which Herrscher has filed a \$1,370,000 claim. Also involved in litigation is the San Francisco home which Mrs. Herrscher willed to her husband.

Herrscher's first wife was Erna Goldschmidt Herrscher, sugar heiress. They were married in Berlin in 1919 and divorced in 1929. Herrscher married Mrs. Howard in 1932.

Redwood City Man Burned in Explosion

Edward Weber, 40, 904 Vera Ave., today was recuperating from first, second and third degree burns on his right hand and arm and left shoulder suffered at 8 p.m. Monday when gasoline with which he was cleaning clothes exploded. He was given emergency treatment at a San Mateo hospital and released for treatment by a private physician.

Governor Slashes Park Fund

Whether or not the state will acquire Islam Shrine Park in San Mateo County as a park hung in the balance today after Gov. Earl Warren signed a \$112,500 appropriation bill for the purpose. In signing the bill the governor cut in half the appropriation figure contained in the bill as adopted by the legislature. He vetoed three other state park measures.

Sen. Harry L. Parkman, Millbrae, who introduced the bill, said the decision is now up to the park committee of Islam Shrine Temple, San Francisco, owner of the 1669-acre tract. The area is four miles east of the county's Memorial Park on Pescadero Creek. It includes 100 guest cottages, a two-story custodian's lodge, a two-story recreation lodge, water system, sewerage, power and telephone lines.

Arthur V. Swift of Redwood City, former state park commissioner, won approval of the commission for purchase of the grove.

Parkman's bill included the \$225,000 figure as a maximum, he explained. The actual purchase price was to be determined by appraisal. He said he had no knowledge of how the governor arrived at the \$112,500 figure. One state representative and two outsiders were to have fixed the purchase price under terms of the bill.

Walter Clarks Sell M.P. Home

Mr. and Mrs. Walter L. Clark, now in Washington, have sold their Menlo Park home at San Mateo Dr. and Bay Laurel Dr. to Mrs. Marie F. Burns of Palo Alto for \$15,000, according to a deed recorded at request of San Mateo County Title Co.

TEACHING THEM A LESSON

SAN CARLOS: 6000 Pounds Of Cans Ready

SAN CARLOS—Another 6000 pounds of tin cans are ready to be turned in for re-processing from the kitchens of San Carlos housewives, Fred Drake, local salvage chairman, said today.

"San Carlos women have shown fine co-operation in preparing tin cans for the salvage pile," Drake said, asserting that at least 80 per cent of the tin cans turned in to the salvage yard had been carefully flattened.

Metallurgist Leaves Estate to Widow

Robert Emerson Brown, metallurgist, who died May 26, left an estate of unknown value to his widow, Florence G. Brown, 920 Seabury Rd., Hillsborough, under terms of a will on file in superior court here today. He was 46, a veteran of World War I, and manager of the Electro-Metallurgical Corp. in San Francisco. He had lived in Hillsborough 17 years. His will was dated May 24, 1943.

June 19 Set As Barbecue Date

Saturday, June 19, at 6 p.m. has been set as the time for the Redwood City Chamber of Commerce's annual barbecue. The time was set at a meeting of chamber of commerce board of directors. The barbecue will be held on the Sequoia High School grounds.

Fred W. Gibbs was named chairman of arrangements. There will be chicken and everything that goes with it, Gibbs said today. Three committees to work on the affair will be appointed in the next few days.

Entertainment will be provided by the "internationally famous B. B. Berman," E. W. (Ned) Butler, secretary-manager, announced. The affair will be informal.

Reservations may be made by telephoning RC 42.

Series To Feature Uses for Bread

Extra uses of bread are now being featured in a series of 20 advertisements in the Redwood City Tribune.

Special recipes utilizing bread will be emphasized in the series. The campaign will be based on four points:

"When people work harder, longer, they require added food energy. Basic foods high in energy, of which bread is a mainstay, become more important."

"Enriched white bread is an important food specified in the government's national nutrition program."

"Bread is economical. Food shortages throw an extra burden on the housewife. The job is made easier with new nourishing and economical meals."

Skyline Blvd. Accident Injures Seven Persons

Seven persons were injured in a head-on Skyline Blvd. accident a mile south of the Half Moon Bay Rd. intersection at 5 p.m. Sunday.

The drivers were Harold W. Easton, 44, Oakland, and Roy T. Whitehead, 44, Alameda. California Highway Patrolmen said Easton would be questioned by the district attorney and accused him of driving on the wrong side

of the highway. The injured, all treated at Mills Memorial Hospital: Easton, face lacerations. Mrs. Marie Herring, 42, Oakland, lacerations, possible knee fracture.

Whitehead, severe lacerations and abrasions. Miss June D. Murchison, 27, Oakland, fractured left wrist. Mrs. Florence J. Demeritt, 28,

Oakland, lacerations and strained ligaments. Mrs. Rosalie Whitehead, no age given, Oakland, lacerations of face and arms.

All of the injured except Easton and Mrs. Herring were in the Whitehead car.

State officers said an army ambulance arrived at the scene first. Soldiers administered first aid and called the Redwood City ambulance to transport the injured to San Mateo.

Easton gave his occupation as ambulance driver. At 1:45 p.m. Sunday cars

driven by Richard J. Fry, 41, San Francisco press photographer, and Roscoe D. Burch, 37, San Mateo bartender, collided on Ocean Shore Hwy., 1000 feet south of the Sharp Park Rd., injuring Dorothy Anderson, 35, Sharp Park. She was riding with Burch. Officers said Fry stopped his car on the highway and Burch ran into it.

Booked at the county jail and freed on bail pending trial on drunk driving charges were Sydney Madden, 53, 1415 Carlos Ave., Burlingame, a plumber; John S. Crawford, 49, San Jose;

John Cockron, 29, Sharp Park. Skyline Blvd. traffic was blocked for an hour Sunday until soldiers cleared away 50 bales of hay spilled from a Modesto hay trailer which jackknifed near the Crystal Springs Rd. intersection.

In San Carlos, Nat Ciampi, 39, proprietor of the Hidden Valley Inn on Devonshire Blvd., was taken to Mills Memorial Hospital by ambulance at 10:30 p.m. Sunday, suffering from a back injury. He told police he had been struck by a car two hours before. He was found on the sidewalk

S.M. Junior College To Give Entrance Tests

San Mateo Junior College will give entrance tests for the fall semester for high school graduates Saturday. The aptitude test will be given at 9 o'clock in the morning in the college auditorium, and the English placement tests will be given at 1 in the afternoon. College faculty members will be in charge.

near the parking lot of his inn. Chief Edward Wheeler is investigating.

Look for the GREEN MARKERS in our stores

FLAG DAY: R.C. Mayor Proclaims Annual Event

Mayor Floyd D. Granger Tuesday proclaimed June 14 as Flag Day, and pointed out that Flag Week starts today.

"Each year, on June 14," Mayor Granger said, "the people of this community have observed Flag Day as a symbol of our allegiance to the ideals of our country. This year our observance of the day should be especially meaningful."

"We are now engaged in a great and heroic struggle for the maintenance of the ideals, institutions and traditions which have always been so vitally associated with our nation's flag. Let us then as loyal and patriotic citizens take particular pride in the display of the colors, and let us renew our devotion to the great principles which gave us birth."

"It would also be fitting and proper for us to display the flags and colors of all the United Na-

tions, the countries joined with our own in the all-out war against tyranny and aggression."

Today marked the opening of the government's program to raise 100 million dollars in war bonds throughout the nation. Fred Schmitz, Flag Week chairman, and Martin J. Flynn, war bond committee chairman, have charge of the drive in Redwood City.

"I hereby proclaim June 14, 1943, Flag Day and I ask all citizens to co-operate in carrying out a fitting observance of this day," Mayor Granger said. "I ask the people of Redwood City to display the flag of the United States and the flags of other United Nations which may be in their possession. I ask for full participation in all ceremonies which may be held in this community so that the world will know that Americans stand shoulder to shoulder with our allies in the will to win."

MEETING: Pay Boosts Included

A salary ordinance affecting city employees was introduced at a meeting of the Redwood City City Council Monday on motion of Councilman Evans A. Fletcher and second of Councilman Harold F. Anderson. The ordinance carries out the recommendations of City Mgr. Robert W. Mead, published in the Tribune last week. If it is given final passage at the next meeting or a subsequent meeting, it will mean an increase in war bonuses from \$15 a month for each city employee to \$25 a month. Increases in war bonuses will amount to approximately \$7500.

Other pay raises amount to approximately \$3000. Salary and personnel increases combined will amount to approximately \$21,000.

Peter Sorensen, contractor, appeared before the council and asked why there should be any objection to having a platform on a blind street adjacent to his building on Arguello St. City officials had approached him on the matter, and he was informed he should have asked for a permit before he built the platform. He pointed out that he built the blind street and the drainage system himself. Mayor Floyd D. Granger advised him to write his request to keep the platform to City Atty. Paul A. McCarthy.

Mead informed the council that he is carrying on negotiations for a lot to park automobiles on El Camino Real and Brewster Ave. adjacent to the Pacific Greyhound Bus Station and said he thought the lot could be secured. Mayor Granger had suggested at a previous meeting that the lot might be secured to relieve the parking situation.

Andrew Spinas, moderator, and Charles L. Huyck, clerk, informed the council in a written communication that the women of the First Congregational Church, on Middlefield Rd. at Jefferson Ave., have considerable difficulty in parking their automobiles while attending Red Cross or other meeting because of a one-hour parking limit.

They suggested that a recheck of the week-day traffic in that area be made, declaring that "we are of the opinion that you will find that its volume does not justify a one-hour parking rule in front of or at the side of the church."

The matter was referred to the traffic study committee.

Upon recommendation of the Redwood City Parks and Recreation Commission, the yacht harbor will be open to the public daily until 9 p.m. during June and July, and 8:30 p.m. during August. Yachtsmen also will be permitted to remain on board boats overnight and holidays, upon the showing of their Coast Guard passes and signing of the register. Sequoia Yacht Club will be permitted to use the clubhouse for meeting purposes. The council had voted at a previous meeting to abide by the recreation commission's decision.

Ferris W. Miles, president of the chamber of commerce and member of the traffic study committee, requested that the number on the committee be reduced from 18 to 10. He pointed out that at the present time there are 10 members of the chamber of commerce board of directors on the committee and asked that the number be reduced to two.

He pointed out that a smaller number could conduct business more efficiently, and that the chamber has a number of projects in mind that will take considerable of the directors' time. Councilman Anderson, who originally appointed the committee when he was mayor, suggested

Herrscher Asks Distribution

Edmond E. Herrscher, San Francisco attorney and surviving husband of Mrs. Fannie May Howard Herrscher, has filed in superior court a motion for distribution to him of the San Francisco home and personal property bequeathed to him by his wife.

Herrscher also asked the court to order the executor of the \$2,000,000 estate, Robert Howard, to desist from interference with his possession of the property.

Mrs. Herrscher left her husband only the California St. property and forgave him all debts owing her. Herrscher's petition listed a \$48,000 promissory note issued in 1941.

S.S.F. Woman Sues for Divorce

Tisbee Bertolucci filed in superior court here Tuesday a suit for divorce from Joseph Bertolucci, South San Francisco hotel owner, in which she asked all the community property, valued in excess of \$50,000, and \$500 monthly temporary alimony. She also asked custody of their two children, Lawrence, 19, and Lola, 17.

She listed Bertolucci's assets as the Liberty Hotel in South San Francisco, another hotel on Minna St. in San Francisco and other income property which nets him \$1000 monthly. She charged cruelty.

Here's a topping that will flatter even your most successful gingerbread: Soften a package of cream cheese and blend in three tablespoons shaved maple sugar candy. Cut hot gingerbread in squares and spread generously with creamy topping.

that Mayor Granger "streamline" the committee.

The council refused to grant Laurence Amherd, 1709 Jefferson Ave., a commercial chicken license, declaring the property was adjacent to the first class residential district.

The council also: Granted a dance permit to Peninsula Lodge of Elks 320, Palo Alto, for a dance at Foresters' Hall June 24.

Granted a permit to the Social Club of St. Peter's Church to hold a dance in the Guild Hall of the church, 178 Clinton St., on June 26.

Granted license to Thomas M. Ryan and Louis Paolino to operate a restaurant at the Top Hat, 703 El Camino Real.

What You Buy With WAR BONDS

Wags!

No quadruped of the K9 contingent used by the Marines, the Army or the Coast Guard is purchased. They're strictly volunteers for the duration, loaned by their masters and mistresses. These dogs are taught to hear and smell and see enemies where humans cannot. They are invaluable at night.

Several K9 training stations are maintained by various branches of our fighting services.

You may not have a dog to send to war but you can send your money. Buy War Bonds.

U. S. Treasury Department

you get better wear with the right sole!

BETTER RED BAND QUALITY . . . ONLY 3.49

Choose the work shoe sole best suited for your job from Wards large assortment. If you work outdoors on rough, hard surfaces buy the tire cord sole, if you work indoors on a dry, smooth surface get the leather sole. When you buy the right work shoe sole you get better service, longer wear! Make Wards your work shoe headquarters!

BEST BLUE BAND QUALITY . . . JUST 4.49

Select this shoe for heavy outdoor work. Oil tanned leathers are specially treated to resist moisture and dampness yet remain soft and pliable. Sturdy tire cord soles. Get your pair today at Wards!

Rationed — Coupon No. 17 Needed

When you buy your work clothes at Wards you know they're good!

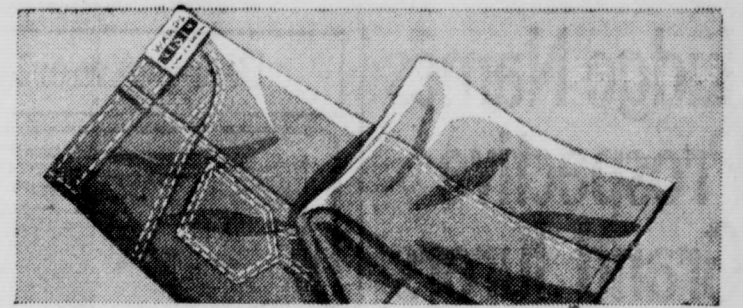

Wards take the "guess-work" out of buying work clothing. We've tested the fabrics for service, for washability, for strength. Our garments are cut full — to give you the greatest possible comfort on the job. Most of our work clothing is made to Wards own specifications, just to make sure that you're getting the best materials, the best workmanship, your money can buy.

FOR REAL COMFORT—BUY HOMESTEADERS! 1.09

You bet Wards Homesteader shirts are comfortable! They're cut full across the back and under the arms—plenty of room where you need it most! And they won't shrink out of shape—these husky cotton covers are 99% shrinkproof! What about wear? Main seams are double sewn and the strong sleeve facings are rip-proof!

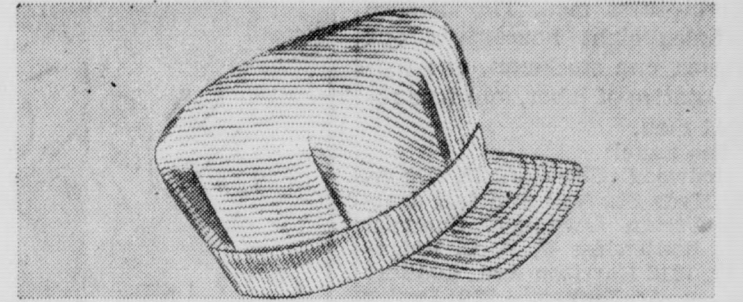

SANFORIZED WORK PANTS IN STURDY 8-OZ. DENIM 1.79

These pants are tough! The 8-oz. blue denim is closely woven, extra heavy—strong enough to stand the gaff of a real man sized job. Seams are strongly sewn—won't rip apart; bartacks protect points of strain; belt loops are securely attached! And the fabric is Sanforized—99% shrinkproof. Cut plenty full; comfortable!

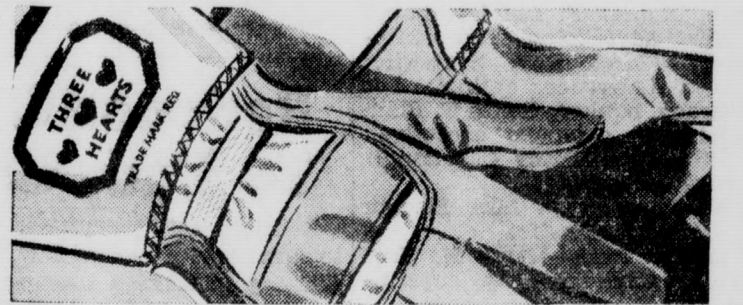

WARDS "101" OVERALL PANTS 1.89

These husky bandtop overalls won't lose their comfortable fit! The fabric is Sanforized—99% shrinkproof! They're metal riveted at points of strain—cut full and roomy for working comfort!

MEN'S UNION MADE SHOP CAPS 29c

No wonder this is our best selling shop cap! Its pleated top is cool and roomy; the 2 1/2-inch stitched duck visor is nonshrinkable and will keep its shape. All made with the union label.

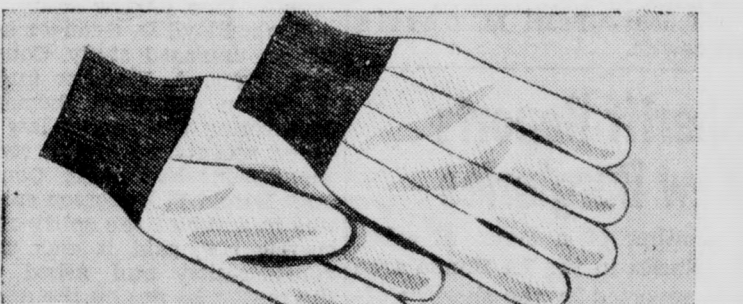

"THREE HEARTS" 65c

Wear these famous Wards gloves for extra heavy duty! Palm and fingers are made of husky split leather; the wide gauntlet of water resistant canvas! Leather knuckle strap and wrist pull!

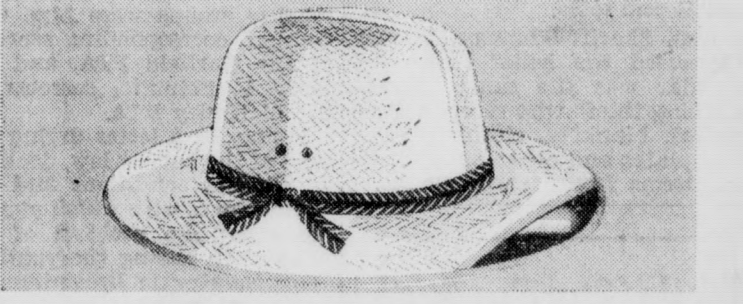

LEATHER PALM WORK GLOVES 55c

A great glove for heavy work—at a low Ward price! Entire gripping surface is made of split cowhide leather. Palm and thumb are in one continuous piece—won't rip apart. Canvas back.

EXTRA HEAVY CANVAS GLOVES 19c

Not the usual 8-oz. weight, but extra heavy, longer wearing 12-oz. fabric! They're made with non-rip lockstitched seams; double thick knit wrists! Napped inside for greater comfort!

WIDE BRIM HARVEST HATS 39c

Keep that blazing sun off your head with Wards lightweight hats! They have tiny eyelets to admit air, sweat patches to absorb perspiration! Styles for men, women and children!

WARDS MECHANIC WORK SOCKS 19c

The body is knit of a highly absorbent cotton . . . and the heels and toes are twice as heavy as the rest of the sock! Regular or short lengths in sizes 10 1/2 to 12. Random and colors.

Judge Names Prospective Grand Jurors

Superior Court Judge Maxwell McNutt Tuesday named a panel of 30 from which San Mateo County's second wartime grand jury will be drawn at 10 a.m. June 16.

Half of the prospective jurors are business men. The balance includes eight housewives, one farmer, one stockman, one representative of labor, and four retired men.

The panel:
Redwood City—J. D. Derry, 125 Hyde St., feed and fuel dealer; Vivian Lawrence, Summitt Dr., housewife; E. F. B. Ridgeway, 1318 Harrison Ave., auditor; Henry A. Righetti, 310 Poplar Ave., retired.

Burlingame—Pansy Slade, housewife; James L. Porter, druggist.
San Gregorio—Frank Alves, farmer.

San Mateo—Edward Brady, sheet metal worker; Julian Teulie, retired; Vivian Buck, housewife; Robert P. Holiday, newspaper advertising representative; Mildred Ray, housewife; James Lawrence, retired; Leo O'Grady, banker; David T. Blair, machinery company executive.

Millbrae—Percy Cavanaugh, insurance broker.

Hillsborough—Mrs. Eleanor Casserly, housewife.

Lomita Park—Harry N. Hayden, water company superintendent.

Portola—William J. Condrin, RC Box 699-A, stockman.

San Carlos—George Lagomarsino, 1315 San Carlos Ave., hog and vegetable raiser, and president, San Mateo County Fair Assn.; K. H. Mausser, 591 Cedar St., electrical contractor.
Cedar San Francisco—Charles A. Robbins, salesman.

East Palo Alto—Cornelia Cooper, 310 Pope St., wife of Jay T. Cooper, attorney.
Half Moon Bay—William Miramontes, merchant.

North Palo Alto—John Huss, 10 Woodland Ave., real estate broker and father of Pierre J. Huss, international war correspondent.

Colma—Alma Garibaldi, housewife.

Woodside—David Wright, auditor and executive of Red Feather Products Inc., Redwood City.

San Bruno—Bradshaw Harrison, real estate broker and war contractor.

Atherton—H. A. Wagstaffe, 164 Stockbridge Ave., banker.

Belmont—Pearl M. Curtis, housewife.

Sheriff Reports New Burglaries

Another of a series of cabin burglaries in the La Honda area was reported by the sheriff's office. Warner Bodine, 812 Santa Cruz Ave., Menlo Park, reported that his cabin on La Honda Rd. 1½ miles west of Skyline Blvd. had been entered and burglarized. Missing is a trunk containing curtains, blankets, fishing tackle and tools.

Dep. Sheriff Thomas Maloney expressed the belief that the burglar was the same "house-keeping thief" who recently stole radios, blankets, clothing, electric plates and other home-making items from nearby cabins.

What You Buy With WAR BONDS

Para-Ski Troopers

When will this war end? Nobody knows, so the Army is continuing its training of Para-Ski Troopers. They're parachute troops who know their way about on skis or any other place in snow covered mountainous country.

A great measure of the success of Russia's victories last winter is attributed to these troops who move with the silence of a snowflake. Our work on the home front is not so hazardous as that of the Para-Ski Troopers but it is important that we perform our daily tasks and make every effort to increase our regular purchase of War Bonds.

Redwood City Council Votes To Study Curfew Ordinance

Redwood City youngsters today face the possibility of having to adhere to a curfew law, following the city council's decision Tuesday to make a thorough study of the juvenile problem.

Solution to the juvenile delinquency problem has been in the "talking stage" for many months, but it passed that stage last night when Andrew Spinas, superintendent of Redwood City public schools, and presidents of two Parent Teacher Assn. groups urged passage of the curfew law. San Mateo County Board of Supervisors last week adopted by a 4-1 vote a 10 p.m. wartime curfew for minors under the age of 18 applying to the unincorporated areas of the county, effective July 1.

With some councilmen expressing themselves as being in favor of the "spirit of the curfew law," they voted to make a thorough study of the matter and to take it up at the next meeting of the council. Councilmen will secure copies of the county ordinance to see how it might fit Redwood City's problems. Probation Officer Francis Robinson will be requested to be at the next council meeting to give his views on the matter and to explain the curfew setup.

Mayor Floyd D. Granger asked for an unbiased study. Councilmen Evans A. Fletcher and W. W. Hilton expressed themselves as favoring the curfew law and asked acceptance of the recommendations last night. Councilman Harold F. Anderson said he was in favor of the spirit of the curfew law, said it was worth consideration and asked that the matter be put on the agenda for the next meeting. Councilmen voted unanimously in favor of the study.

Police Chief C. L. Collins declared that "if you are going to pass a law, you should make it uniform throughout the county." Urging passage of the curfew laws on behalf of the parent-teacher groups were Mrs. Clare Geisner, corresponding secretary of the Garfield PTA, and Mrs. Mary L. Schmitz, secretary of the McKinley PTA.

Spinas, in a letter urging passage of the curfew law, declared: "Due to conditions and circumstances with which our country is becoming one of grave concern to all. It is essential that law enforcement officers have some effective means of coping with the problem of children who persist in remaining on the streets late at night."

"Now that the San Mateo County Board of Supervisors has adopted a curfew law covering the unincorporated area of the county, the problem will be simplified by the adoption of similar ordinances by the various incorporated towns and cities of the county."

The county ordinance, recommended by the county probation committee, makes it unlawful for unaccompanied minors under 18 to be on public streets or in public places after 10 p.m. except on Fridays and Saturdays when the curfew is extended to midnight.

Exceptions are made for minors whose employment or business requires them to be out after the curfew hour.

PERFUME

If you like to touch a drop of perfume to your dress, avoid staining by applying it to an unexposed portion, such as an inside seam. Alcohol in perfumes may cause the dye in the fabric to bleed, resulting in a ring; also perfume oils darken in drying, and may cause stains.

Stevens Justifies Pay Differentials

George Stevens, county personnel officer, this week justified pay range differentials between chief deputies in the offices of county tax collector and controller, criticized Tuesday as an error by County Executive Frederick Peterson.

Four chief deputies, Stevens pointed out, are in the same pay range scale as the chief deputy tax collector. They are chief deputies in the offices of recorder, treasurer, agricultural commissioner and the civil deputy in the sheriff's office. The assistant purchasing agent is in the same bracket.

The State Personnel Board, which recommended the salary ranges, found that the chief deputy controller and the chief deputy engineer have duties and responsibilities worthy of additional pay.

While most chief deputies are in the \$215-\$275 bracket, the chief deputy controller will be paid \$245 to \$305, and the chief deputy engineer \$275 to \$335.

Uninvited Guests Party At Kresteller Lake Home

The sheriff's office today was investigating another uninvited guest party in a South County home, this one staged with champagne by intruders at the home of Mrs. M. T. Kresteller on Toyon Way, Emerald Lake.

Miss Vero Petty, maid, found evidences of the party—apparently an overnight affair—when she returned to the Kresteller home Saturday morning. Dep. Sheriff Thomas Maloney, who investigated, said the intruders cooked a meal from the Kresteller larder. The menu included steak, a dozen eggs, bacon, canned beans, macaroni and cheese, and crackers. The intruders left the dirty dishes to be washed by Miss Petty.

Three Kresteller beds had been occupied, plus one extra mattress hauled into the downstairs bedroom. Mrs. Kresteller is the owner of a San Francisco automobile agency, Maloney said, and spends most of her time in San Francisco. The home was empty when the maid left Wednesday afternoon.

In the kitchen sink were three empty whiskey flasks and four or five empty bottles of sparkling water and gingerale. An empty champagne bottle stood on the living room table. Only clue was the brown cloth belt belonging to a woman's suit. It was found in the living room.

Only item missing was a .32 caliber automatic pistol. In jail is Warren Chandler, 19, sailor, accused of staging a similar party a week ago in the home of Leland Stanford Eckert in Redwood Park. With Chandler, whose uninvited guest party was staged in candle light at the Eckert table, were four juveniles, three of them girls.

The American Rhodes Scholarships were suspended by the Rhodes trustees in 1939 and no elections have been held since.

City To Conduct June 15 CD Drill

Plans were made at a meeting of chiefs of services and special officers of the Redwood City Civilian Defense Council in the city hall for a citywide incident drill Tuesday, June 15, from 7:30 to 9 p.m. Taking part will be fire, police, air raid wardens, public works, rescue, evacuation, motor convoy, registration, gas and unexploded bomb services.

Fifteen incidents are scheduled, six of them major, in which all procedures will be carried through to completion. Fire hose will be laid, ladders run up, trapped people rescued, streets will be blocked off against entry over gas and bomb craters, the decontamination squads will clean streets to enable equipment to pass through, evacuees from simulated dangerous areas will be transported by motor convoy, under police escort to registration center, and first aid will be applied to casualties.

Location of sites of incidents will be announced later to enable

Frudenberg Estate Valued at \$40,854

Mrs. Mary J. Frudenberg, Burlingame, who died Feb. 8, left an estate valued at \$40,854.19, according to an inventory on file in superior court today.

The estate included \$3792 in cash. Burlingame real estate valued at \$4000, promissory notes and securities.

Only known relative of Mrs. Frudenberg is a son, William H. Frudenberg, now in the army at Ft. Pierre, Fla. His mother died intestate.

Interested citizens to witness operation of the various services involved, Comdr. Floyd D. Granger announced.

Referring to the necessity of frequent drills of all services, Commander Granger stressed the importance of all residents of the community as well as civilian defense enrollees to be on the alert, particularly during the summer months, for unexpected enemy attack.
